NA="Elegance" the refined essence

The uniform texture and the absence of knots in the NA explores oak's finest spirit. NA reproduces the appearance of polished, oiled wood: the contrast between the matte veins and the bright, slightly glossy background enhances the three-dimensionality of the planed effect. So, it's full of elegance and can be used in every different space.

Italian Natural Oak

NA(natural) is a tribute to Italian oak of the finest quality with its natural nuances and slender veins, it faithfully reproduces the wood's essence with extraordinary fidelity of details and colors. The uniform texture and the absence knots explores oak's finest spirit and the contrast between the matte veins and the bright, slightly glossy background enhances the three-dimensionality of the planed effect.

No modern floor should be without it ,It is where Natural meets Urban: the timeless appeal of oak aged-look surfaces and settings immersing to nature.
